Anti-weave bars

## THE ALL NEW **TRECKER** C-TYPE THREE OR FIVE SEATER

# • **Brush** •

### More carrying capacity with lots of new features as standard:

- Three-position aluminium centre partition with new easy close system
- Adjustable height breast bar with emergency drop to floor system
- New design top ramp door, which provides the horse closest to the ramp with more room to turn its head and walk down the ramp
- Frameless, bonded windows with aluminium bars and tie rails
- Lighter side ramp with new easy to close system
- Internal LED lighting with blue night-light option

### Many new extras also available:

- Fold down aluminium anti-weave bars
- Clip-up aluminium extension to head board
- Side storage
- CCTV
- Extractor fan ...and much more...
